Directory Non-Consent Form

April 2018

Dear Parents:

As a matter of convenience for our student and parent body, we provide our parents with a directory (for their child's grade only) containing:

- Parents' names
- Students' names
- Home addresses
- Parents' home phone number (if there is no home number, a parent's cell phone will be listed)
- Parents' email addresses for each student

If you **do not** wish to have any information appear in the directory, kindly complete and return this form to York Prep by **August 1, 2018**, and your child's name will be noted "Address Unpublished." If we do not receive this form back from you, we will publish your information in the directory.

Yours sincerely,

Ronald P. Stewart
Headmaster

Do not include my home address, telephone number, and email address in the directory.
